I would like to cordially invite you to view the Memorials and Museums to Veterans throughout Kitsap County. Over the past 5 years I have led groups in refurbishing and cleaning up a lot of these sites. When I started this project in 2010 I did not realize there were so many memorials and museums in our county, the current count is over 100, (This is counting all Boardwalk plaques as 1 even though there are over 300).

The 2 of the newest memorials in 2014 were in honor of John D. (Bud) Hawk. At the Veteran's Day Service a portion of Illahee RD in front of Brownsville Elementary was named "John (Bud) Hawk Memorial DR" and discussion took place to honor him with a Elementary School. The new Elementary school in Jackson Park is now called "The John D. "Bud" Hawk Elementary School at Jackson Park". We also welcomed an addition to Evergreen Park, the 9-11 Memorial. On the Boardwalk we dedicated and placed a Memorial stone to those that perished from Washington State on the USS Frank E. Evans. So we are expanding our listing with these Memorials, Honorariums and Museums.

This year in 2015, the crew of the USS Bremerton came to town and the plaque in honor of their Submarine was added to the Memorial at Hal's Corner. Memorials were also added as they were located at the VFW in honor of their member who was a Medal of Honor Recipient and in Port Orchard, the Clayton Playground which is named after Michael Clayton.

We will start in the northern area of our County:

North Kitsap County **Hansville**

The most northern memorial is at Kitsap County Point No Point Lighthouse & Park near Hansville. Originally staffed by the US Coast Guard the lighthouse is now a museum and the home of the US Lighthouse Society.

Port Gamble

Port Gamble is named after Lt. Robert Gamble wounded in the War of 1812. A memorial in the cemetery here lists Gustave Englebrecht of the USS Massachusetts being killed in the Washington Indian War in Port Gamble. The cemetery is located at NE Walker and Pacific.

Suquamish

A few miles south in the center of Suquamish you will find the Suquamish Veterans Memorial. It was dedicated on Veteran's Day, November 11 2010.

Bainbridge Island

Bainbridge Island is named after Commodore William Bainbridge. On Bainbridge Island you will find four items of interest as You follow our tribute to Veterans.

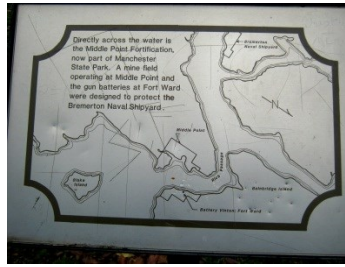

At Bainbridge Memorial Field located at Bainbridge High School you will find a Veterans Memorial, which is at 9330 NE High School Road.

Next on the island is a memorial to one of the most controversial events to happen in the US during World War II. Located at Pritchard Park, 4192 Eagle Harbor Drive, The Bainbridge Island Japanese American Memorial is dedicated to all of the Bainbridge citizens who were forcibly sent to internment camps due to their Japanese descent.

Then on the island's southern end at 2241 Pleasant Beach Drive NE are the remnants of Fort Ward, an Army fort from the late 1800s and then a Navy installation during WWII. You will also find the remains of Battle Point, the listening station used during WWII. Most of the grounds have been turned into Fort Ward Park, with the remainder in private ownership.

Poulsbo

On the Poulsbo waterfront in Liberty Bay Park is a WWI & WWII Memorial that used to be in front of The National Guard Armory, which was torn down. Next to it is a large anchor and plaque honoring all Veterans that have served.

Keyport

Heading south on Hwy 3, take the Keyport exit. To your right is the main gate to Naval Base Kitsap/Bangor Submarine base where eight of our nation's submarines are homeported. But don't turn right unless you have a pass! Turn left and head west towards Keyport and you will arrive at the Naval Undersea Museum. (Admission is free.) Explore the museum and learn about life under the sea, torpedoes and underwater exploration. Just across the street as you leave you will see an anchor at Saltwater Park. I am still researching this one from 1942.

Central Kitsap County

Silverdale

Next down the highway to the south is the unincorporated area called Silverdale. Just off Hwy 3, enter on Silverdale Way and go through the retail/commercial area. At the last stop light where Silverdale Way becomes two lanes turn left onto Byron. At the end of the road in Waterfront Park is the Kitsap County Veterans Memorial dedicated in 2004 and a WWI Memorial Obelisk.

On the outskirts of Silverdale you will find a memorial to the Veterans at the Legend Harley Davidson Dealership located at 9625 Provost Road.

Fairgrounds area

Blue Star Highway Memorial Marker is just before you turn to go to the Kitsap County Fairgrounds at 7601 Tracyton Blvd. It was placed in 1988 to honor our Veterans by the Garden Club and is adjacent to the J.A. & Anna F. Smith Park.

Bremerton

Leaving the Korean War Memorial, head east on Fairgrounds Road to HWY 303 and turn right. Proceed south for about 2.5 miles, turn left onto Sylvan Way and head up the hill. He was a strong supporter of the US Navy and a city florist since 1936. These will be restored in the spring.

On the corner of Sylvan Way and Olympus Blvd is Bataan Park in honor of the survivors of the Bataan Death March.

About one mile east on Sylvan Way you will arrive at Illahee Park. At the park entrance there is a set of 5"/51 guns off of the USS West Virginia, (BB-48). There are two plaques, one honors all who have served this country; the other plaque is to Mr. Earle Henry Harkins, shipyard worker who was the first caretaker of the park. A state park pass is required to drive your vehicle into park. If you just want to view the Memorial, park on an adjacent street and walk in.

Leaving the park, take Sylvan Way back to Illahee Dr. Turn right and going down Illahee Dr, you will see the newest Memorial signs in Honor of recently departed Medal of Honor Recipient Sgt John D. (Bud) Hawk, designating the section near Brownsville Elementary as "John (Bud) Hawk Memorial DR".

After you view Hal's Corner continue down Old Wheaton Way (not over the bridge) about eight blocks and turn right onto Lebo Blvd. Passing under the bridge, a couple of blocks down you will see Lent's Landing Park. During World War II, a Barge-type ferry would pull up to the dock to shuttle residents of Sheridan Park housing to the shipyard. Lent Landing was named for the family of Ernest B. Lent. It is in this pocket park that a flag pavilion and plaque have been dedicated to Medal of Honor recipient, John Druse (Bud) Hawk, who the Drive is named for that you visited earlier.

Proceed back on Lebo Blvd, just before the bridge, turn left onto Juniper and follow the signs that take you across the bridge. Immediately get in the left lane, and take the first left at the end of the bridge onto 17th street. Go two blocks and turn right onto Park Ave. At 1400 Park Avenue is Evergreen Rotary Park. This plane was restored and preserved by the USS Ronald Reagan, USS John C. Stennis, Lowes Hardware and the Parks Dept. in the summers of 2012 and 2013.
