GUIDELINES TO KEEP THE MARKET SAFE AND OPEN

- Stay home if you are sick:
 - Symptoms of fever, cough, or fatigue
 - A sore throat
 - Nausea or diarrhea
 - Headaches, dizziness, or muscle aches
- Identify if you are in a "high-risk group" and consider having someone else shop for you:
 - People age 65 and over
 - Pregnant women
 - People with underlying health conditions
 - People with weakened immune systems
- Wash hands frequently with warm soapy water. Cover coughs and sneezes.
- Customers are not allowed to handle produce/products before buying, allow the vendor to bag purchases.
- Keep six feet distance from others at all time (except those in your family or immediate household)
- Make a shopping list and complete shopping as quickly as possible.
- This is not a social hour! Limit interactions with other customers and vendors. When possible, please only have one person per household at market to make social distancing easier for others.
- Be prepared with small bills to offer exact change to vendors when possible. Some vendors may also accept alternative hands-free payments like Venmo or Apple Pay.
