

2022 Event Marketing/Sponsorship Support Request Application

The mission of Visit Kitsap Peninsula is to promote local cities, communities, events, attractions, activities, and hospitality services most likely to support local lodging establishments and generate awareness about the Kitsap Peninsula region as a destination for leisure and overnight visitors.

The type and level of marketing support the VKP provides is based on the follow:

1) type of event, 2) number of visitors expected to attend that will be from outside of the Kitsap area, and 3) the ability of the event to attract overnight visitors.

Pro-bono marketing support includes featuring events on the VKP website, calendar, social media posts/event page, and inclusion in other internal and external marketing programs. Due to decrease in fund allocations to the VKP for 2022, paid sponsorship available on a limited basis as funding permits.
