In collaboration with **Kitsap County** this park is maintained by volunteer stewards. The stewards assist with park planning and trail maintenance. You can assist them and make everyone's visit more enjoyable by:

- Staying on developed trails
- Keeping dogs leashed so they don't disturb other trail users or wildlife
- Following trail etiquette
- Packing out trash, including dog poop and disposing of it at home
- Additional Park information is available at on the Kitsap County Park Department's website at: <http://kitsapgov.com/parks>

For Emergency Help, Rescue Trail Markers are placed at trail intersections to identify your location in the park. In an Emergency, Dial 911 and give the dispatcher the Trail Rescue Marker Code nearest you. Example PG-A1
